

SERIAL

PASO ROBLES

Serial comes from the idea that we will be producing a series of wines from Paso Robles. As a Napa Valley vintner I chose Paso Robles for its climate and soils, producing outstanding fruit at approachable pricing. Serial wines are rich and opulent, like the wines for which we have become known.

John Anthony Truchard

Serial Cabernet Sauvignon 2017, Paso Robles strikes the perfect balance of dark, lush fruit and structure. Ripe blackcurrant, roasted fig and cocoa notes give way to complex layers of toasted spice and vanilla on the finish. Our excitement and commitment to the region and this series of wines is captured in their richness and opulence.
